Resolution relative to the endorsement of an art installation by John K. Melvin at the Lake Merced Watershed

Whereas: the Lake Merced Task Force strives to enhance community wide appreciation for the Lake Merced Watershed, and

Whereas the Lake Merced Task Force seeks local involvement in enhancing community wide access to the Lake Merced watershed, and

Whereas John K. Melvin, an artist in San Francisco, has presented a concept for the temporary installation of a piece of art at the Lake Merced Watershed, and

Whereas prior to the installation of this artwork all environmental considerations will have been fully vetted and all necessary permits obtained, and

Whereas the proposed piece of art will enhance community wide appreciation of the Lake Merced watershed by highlighting the areas beauty, environmental assets and accessibility, now therefore be it

Resolved that the Lake Merced Task Force endorses the concept for an art installation at the Lake Merced watershed as proposed by John K. Melvin and looks forward to inviting the entire community to appreciate and enjoy the Lake Merced Watershed while observing the impact of this art installation on the watershed.
